

Monday, July 1st, 2024

8:30 - 9:15 Registration

9:15 - 9:30 Opening remarks and practical information

Session 1: Introduction to Formulation Science

9:30 - 10:30 Jean-Marie Aubry (Univ. Lille, France) *Formulation Science: Challenges, Trends and Paradigm Shifts*

10:30 - 11:00 Coffee Break

11:00 - 12:00 Jean-Marie Aubry (Univ. Lille, France) *A fresh perspective on HLB and HLD concepts for selecting the "best" surfactant*

12:00 - 13:00 Steven Abbott (Steven Abbott TCNF Ltd) *Formulator's Guide to Adhesion Science*

13:00 - 14:30 Lunch

Session 2: Formulation tools

14:30 - 15:30 Steven Abbott (Steven Abbott TCNF Ltd, UK) *Formulating via Apps and AI*

15:30 - 16:30 Tobias Halthur (CR COM, Sweden), *Title TBA*

Session 3: Formulations for cultural heritage conservation

16:30 - 17:30 Piero Baglioni (Univ. Florence & CSGI, Italy) *Soft matter formulations for the Conservation of Cultural Heritage*

Engage with the Speakers

17:30 - 18:30 Poster & Aperitivo Session *Participants, Speakers and Sponsors will have the chance to meet and discuss emerging trends and problems, while enjoying snacks and refreshments.*

Tuesday, July 2nd, 2024

Session 4: Formulations and sustainability

8:45 - 9:45 *Speaker To Be Confirmed*

9:45 - 10:45 Gerardino D'Errico (Univ. Naples, Italy) *Strategies for the design of eco-sustainable functional formulations*

10:45 - 11:15 Coffee Break

Session 5: Formulations for personal and home care

11:15 - 12:15 Giacomo Chiti (Manetti & Roberts - Bolton Group, Italy) *Personal Care Product Formulations: Basics and Industrial Challenges*

12:15 - 13:15 Andy Gray (Unilever, UK) *Solutions for the hair care market using hypothesis-driven scientific principles*

13:15 - 14:30 Lunch

14:30 - 15:30 Giulia Bianchetti (R&D Senior Director) *Designing detergents for colored loads: dye suspension and dye transfer processes*

Session 6: Formulations for building and constructions

15:30 - 16:30 Clelia Sarta (Mapei, Italy) *To be confirmed*

16:30 - 17:30 Roberta Alfani (Ecocem, France) *Title TBA*

Engage with the Speakers

17:30 - 18:30 Poster & Aperitivo Session

Wednesday, July 3rd, 2024

Session 7: Pharmaceutical formulations

8:45 - 9:45 Nunzio Denora (Univ. of Bari, Italy) *3D Printing of solid pharmaceutical formulations*

9:45 - 10:45 Paola Luciani (Univ. Bern, Switzerland) *Challenges and opportunities in formulating drug delivery systems*

10:45 - 11:15 Coffee Break

11:15 - 12:15 Paola Luciani (Univ. Bern, Switzerland) *Regulatory aspects for the development of pharmaceutical products*

12:15 - 13:15 Gerardo Palazzo (Univ. of Bari, Italy) *Title TBA*

13:15 - 14:30 Lunch

Session 8: Instruments, tools and sponsors

14:30 - 15:15 Carlotta Giacobbe (Xenocs, France) and Emiliano Fratini (Univ. Firenze & CSGI) *Advances in Small Angle Scattering of X-rays*

15:15 - 15:45 Stefano Del Buffa (Alfatest, Italy) *Title TBA*

15:45 - 16:15 *Speaker to be confirmed*

16:15 - 17:00 **Awards ceremony and final remarks**
