Subject: Meeting Science Advisory Committee ISIS@MACH ITALIA – 21st and 22nd October 2024,

Dear Friends and Colleagues,

the annual meeting of the Science Advisory Committee (SAC) of ISIS@MACH ITALIA, Hub of ISIS neutron and muon source is scheduled on the 21th and 22th October 2024. The venue will be at Università di Milano Bicocca (Building U1, Room T010, Piazza della Scienza 1).

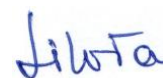

For those of you who will not be able to participate in person, a zoom meeting will be organized. The venue of the October 21th dinner is Trattoria Arlati (via A. Nota, 47).

For those of you who requested accommodation, reservations were made at the Hotel degli Arcimboldi, viale Sarca, 336, Milano.

In the following you will find a copy of the Agenda.

During the event, SAC members will be assisted by Dr. Roberta Cattaneo Trissino Da Lodi who will also take care of your expense's reimbursement. You will have to fill a form that Roberta will give you and present all the receipts (including boarding passes).

With many thanks for your collaboration, best regards
